

AfC Induction: Meet & Greet Event (AfC Colleagues) (Kingston and Richmond)

Introduction

AfC is passionate about the services that we deliver and the colleagues that we employ to deliver those services. We are very pleased to welcome all new colleagues into the organisation and hope that you will have a long and fulfilling career with us.

Starting a new job in a new organisation is a daunting and sometimes a difficult task. We believe all new starters join AfC with a unique perspective and experience which we would like to hear and learn from. This session is an opportunity to meet with a senior leader in AfC to celebrate completing your probation. During the session, you will reflect and feedback on your first 6-9 months in post, share your ideas and ask any questions you may have. As the final element of the AfC induction programme, this session is designed to help you feel cemented in your role and start looking forward to your next steps in the organisation.

Please note this is an online course, joining instructions will be sent to you 24 hours prior to the course start time. We recommend that all delegates login to the session in plenty of time to avoid any technical delays.
