

First Aid at Work Requalification 2 day

Introduction

This 2 day course covers the requirements of the first aid requalification course to update those who hold a valid in-date first aid at work qualification.

Who should attend? First aid courses of this type are suitable for anyone who has been nominated as a First Aider at Work. To complete this course, candidates must have an in-date approved first aid at work certificate which they should bring to the training as evidence.

What Will they learn? Any industry and legislative updates relating to first aid, and a recap on skills and knowledge already learnt under the supervision of a qualified, experienced tutor.

PLEASE NOTE: This course is a requalification course and once completed a new valid First Aid at Work Certificate will be issued. Delegates must bring a copy of their certificate showing that they have previously successfully completed a full 3-day First Aid at Work course in order to be accepted to sit this refresher. The certificate may be no more than 30 days beyond expiry otherwise the delegate will be required to re-sit the full 3 day training.

Learning Outcomes

On completion of training the delegate who has completed the assessment will:

- Be able to illustrate an understanding of how to act and what actions to take in an emergency situations relating to adults
- Be able to identify an emergency situation and respond with the appropriate action
- Be able to identify and where applicable administer first aid skills needed in an emergency situation
- Demonstrate an understanding of the roles required of the designated first aider
- Be able to identify which techniques should be used in specific emergency situations
